MEMORANDUM FOR : Security Officer, DPD  
SUBJECT : PIC Request for OXCART Clearances  
REFERENCE : PIC/D-18-60, 1 February 1960

25X1 1. [redacted] advises that he has requested PIC to determine readout equipment requirements (lead times, costs and types, etc.) if the present Perkin-Elmer camera system is used on the OXCART program. [redacted] states that this matter must be raised now in view of the long lead times required to procure specialized equipment.

25X1

25X1 2. [redacted] states that [redacted] is aware of OXCART due to his involvement in the preparation of a briefing paper for Mr. Lundahl. Further, that [redacted] probably will be called upon by Lundahl to work on the problem mentioned in paragraph 1, above. Mr. James C. Cunningham advised that [redacted] [redacted] is aware of a CHALICE follow-on activity. In view of this, [redacted] may be cleared for OXCART.
